

NOTCH Medical Offices Combine and Relocate in St.Albans

Press Release

March 1, 2019

St.Albans, VT – Northern Tier Center for Health (NOTCH) is pleased to announce that, during the last week of February, its two medical offices from Lower Newton Street and Fairfield Street in St.Albans combined and relocated to Doctors Office Commons at 3 Crest Road. St.Albans Health Center opened for business at 3 Crest Road on March 1st in a freshly renovated facility with ample parking and improved building access.

Office hours at the new location are Monday through Friday, 7:30am-6:00pm. Providers at the expanded practice include: Dr. Max Bayard, Dr. Amy Roberts, Ashley Brisbin, PA-C, Monica Zeviar, PA-C, Matthew Miffitt, APRN, Sarah Mutar, APRN, Chris Vaughn, APRN, Kristi Muzzy, LICSW, and Ellen Williams, LICSW. Office Manager Jessica Corrigan reports, “Both offices are moved and settling in. We are very happy to be together under one roof. Our team is excited to continue to provide great care to our patients and we hope you’ll enjoy the new office as much as we already do. Come see us soon.”

For more information about St.Albans Health Center, visit www.notchvt.org or call 802-524-4554. St.Albans Health Center is one of six NOTCH medical offices strategically spread across the northwestern corner of the state. All six have achieved Level 3 certification from the NCQA (National Committee for Quality Assurance), which is the highest accreditation possible. NOTCH has dedicated staff managing the Quality Management Program, which supports the organization’s mission to guard, promote, preserve, and restore the health of persons residing in Franklin and Grand Isle counties. The Federally Qualified Health Center delivers integrated behavioral health services at all of its medical sites, dental services in Richford and Swanton, and pharmacy services in Richford. A Sliding Fee Discount Program is available to eligible patients at all NOTCH locations.
